

N.D. ENGLISH LEARNER

BOOT CAMP

JANUARY 10-11, 2022

REGISTER: <https://ndregionaleducation.growthzoneapp.com/ap/Events/Register/kLx46bDL>

N.D. School districts have an increasing number of linguistically diverse students which creates a need for additional EL support in schools. N.D. teachers are frequently responsible for developing the EL program in their schools, often with very little training. There is also a need for mainstream teachers and administrators to increase their expertise in developing instruction and programming for ELs. ND EL Boot Camp addresses multiple topics that are relevant to the outside-of-the-classroom duties for which schools are responsible. Cost is \$70 for the course and can be reimbursed using Title III funds.
