NDSor: Accelerating Skilled Disciplinary Writers <i>Facilitator Training also available.</i>	<ul style="list-style-type: none"> • Teachers: Elementary, Middle school, High school • Literacy coaches 	<p>Almost all educators expect written responses from their learners--however, teaching the nuances of writing is hard no matter the level or content area. This course provides a framework for writing instruction that can be used in ALL grade levels and content areas. Educators will be able to identify the types of writing they expect from their learners, the characteristics of that writing, and how to explicitly teach the characteristics they expect. The approach taught in this course relies on mentor texts and explicit instruction, which will contrast with a writer's workshop and process model.</p>	<p>Hybrid</p> <p>Online synchronous, face-to-face</p> <p>Asynchronous practice submissions</p>	<p>Register here!</p> <p>Credit available.</p>
